President's Message

Hello my friends,

I am sitting here having my 11th treatment. As I look around this room full of cancer patients I realize how blessed I am. I am so blessed with my Lord, Scotty, my family, and all of you. You guys are so amazing. You have been with me through it all.

That is what I want for this club for us to always be there for each other. I am so proud of how you guys love each other and stick together. We are not only just a Shag Club we are a family.

One thing I hear over and over from new potential members is how our club members make them feel so welcome. I have always heard people don't always remember how you look but how you make them feel. So many times, people come because they need friendship, they need a friend group that will make them feel welcome and cared for. So, you should feel very proud of yourself because you are that and more for so many.

Several of our ladies are going on a cruise. I pray for safety and that they have an amazing time. I know these ladies will have fun no matter what.

Cheryl Hughes

President's Message

Winter is coming fast, and I don't like it, but I know I can't stop it. If I could I probably wouldn't. Because God made everything for a purpose even winter. I said that to say we have to go through many things in life that we really don't want to go through. But one thing God has taught me over these last months is that sometimes things that we don't enjoy is for our good. So let the hard things bring out the good things.

We are heading into our holiday season fast so let Shelia know if you're going to the Christmas party. And get you tickets for the Storm.

Our Costume contest was amazing. All of you that dressed up looked so good. Congratulations to our 3 winners. I am sure all of the people that came into Raines thought these people know how to party. To that I say yes, we do.

Remember:
Pray for each other
Love each other
And Dance

Love you ECSC

Cheryl Hughes
