President's Message

Hello ECSC Family,

February is here. Do you know what comes to mind is it brings us closer to some warm weather. Maybe not this month but it's coming. I pray that everybody is safe with the bad winter weather we are having and that it will end soon.

What I'm really excited about is that the Storm Party is almost here. We're gonna have so much fun. I know it's a lot of work for our club; but it is well worth it to be able to spend time with each other and with the other people from the other clubs. I love the Shag world. We found out early on after we started dancing that Shaggers are a close-knit family. The first time we went to SOS we were blown away. You can meet a total stranger if they're Shaggers and it's like you've known them forever. We have so many opportunities to meet new people so let's just walk up to total strangers and ask them their names and where they're from and get to know them a little bit. I know we will never regret all the wonderful people we get to meet.

I feel so blessed that God has allowed me to be in the Shag world and to get to know all of you guys that I probably would have never met. ECSC, we have some amazing people in our club, and I love every one of you and I hope you know that.

Cheryl Hughes

President's Message

We still have time to volunteer to help with the Storm Party. If we all share in the work, it won't be hard on anybody. That way everyone can enjoy the party and have some dance time. Some of the opportunities to volunteer allow you to sit down and working in different areas will allow us to meet people we would probably never have met any other way. Let's show them how amazing ECSC is. With that said, have a great time. I plan to put all the stress of this world in the back of my mind and just enjoy the time. I pray you will do the same.

Our Reup Party is scheduled for February 27th. We will have a sign-up sheet on Tuesday nights. If you can't be there feel free to call or text me. The only stipulation is that you have to be a member before the party. Tuesday the 24th is the cut off date for signups. The reason is that they must have a final head count for the food, and the cost of the party depends on this. It is a free party for our members and that makes me happy. It's going to be at the same venue where we had our Christmas party. I am very excited about that. We will give you more information later.

Let's go into this February with great expectations that it will be a great month. I was reading something that really stood out to me. I really would like to share it with you.

Cheryl Hughes

President's Message

Worries if indulged, develop into idols. Anxiety can gain a life of its own, parasitically infesting your mind. What goes on in your mind is invisible, undetectable to other people. So, guard your thoughts, choose good thoughts. What we think will take on a life of its own. We can choose what we think.

I believe the Shag world has helped me with keeping my thoughts under control. But the real hero in this for me is God. Worry can make us sick physically as well as mentally.

So please remember to pray for each other.
We can't do life (well) alone.

Love each other. Everyone does not have a great family support system. We can be that for each other.

And remember to Dance. Sometimes I just start dancing when nobody is around. Dancing can keep us moving (even if we are 100 yrs old.) Johnny was asked his secret, he said, "I just keep moving."

ECSC family, I love you
Cheryl
