President's Message

Well ECSC family

It has been a memorable month for me. I am sure it has for you also. I have had good news and sad news but walking through life with my sweet Lord and all of you has helped to make my life more enjoyable and fulfilling. So, thank you for that.

As we are heading into June, I am looking forward to seeing all of you each week and praying that we all have so many more happy and blessed times than bad. So, pray for each other for that.

I hope everyone has a great summer and we all can go on a memorable vacation. I believe that helps us to step back and gather our thoughts and regain our energy and momentum for the next part of our lives.

I hope to see you as many of you every Tuesday night as possible. I know that life sometimes gets in the way but for me Tuesday nights with all of you helps me through the rest of the week. Laughing with friends is good for our mind and bodies. Yes—research suggests that having friends to laugh and talk with is linked to better mental and physical health. Studies and reviews have found lower stress, less depression and loneliness, better self-esteem, and even lower risk of disability and earlier death among people with stronger social connections.

I pray your month is amazing and as stress free as possible.

Love you Guys. Remember
Pray-Love-Dance
