President's Message

Hello ECSC,

When I started writing this morning, a song came to mind. I don't know if you remember the song.

Another One Bites the Dust.

The song says another one down another one down another one bites the dust. I don't know why that song popped into my mind today, but I guess it's because time seems to pass so quickly. So here we are headed into October. It seems to me that the summer was just a blur. So much has happened in everybody's life. Does it seem like that to you too? I said this to say no matter how fast time passes, hold on to those good times, those happy times, hold on to those times when you're laughing with your friends and with your family. Dance while you can. If you can only dance half a song do that.

I would like for our Club to be a part of your life where you laugh and feel carefree for a few hours each week and for Tuesday to be a time that you look forward to. I know it is certainly that for me.

I am excited about Inland SOS I hope that, if possible, you will come.

Good food, good drinks, dancing and laughter. What more can we ask for.

I pray for all of our members that are going through health issues and all that have lost loved ones. I pray for the promised peace that transcends all understanding for all of you.

So, Pray-Love-And Dance

Love all of you

Cheryl

The background of the entire image is a festive celebration scene. It features two champagne flutes filled with bubbly liquid, a lit sparkler with bright sparks, and several reflective disco balls. The scene is set against a backdrop of soft, out-of-focus lights in shades of blue and purple, creating a bokeh effect. Pink and blue streamers are also visible, adding to the celebratory atmosphere.
